Cleveland, OH (August 15, 2018) — With Ohio medical marijuana cultivators currently growing marijuana, processors getting licensed and dispensaries opening soon, Ohio Marijuana Card has been in overdrive scheduling patients with their staff of certified medical marijuana doctors. Now, Ohio Marijuana Card is gearing up to offer a [Partner Affiliate Program](#) for their customers, colleagues, friends and even local celebrities -- so everyone can

earn money recommending Ohio Marijuana Card's doctors to potential qualifying customers seeking their medical marijuana card.

Own a massage therapy studio, medical practice, hair salon, holistic store, head shop, smoke shop or coffee shop? You can recommend that your customers visit Ohio Marijuana Card, and receive money for each successful referral! But the referral program is not just limited to store owners, celebrities and medical practitioners. Ohio Marijuana Card patients and advocates can also sign up for the partner program and refer their friends, family, coworkers and loved ones.

“Ohio Marijuana Card’s partner program will be simple and easy to use” said President Connor Shore. “Our program is open to literally anyone, whether you're a customer, a store owner, an advocate or local athlete. Our goal is to have as many patients receive their medical marijuana card in Ohio as possible, and you can help us achieve that goal.”

Once a partner has signed up with the program, they will have access to a marketing toolkit with a specialized code attached to their name, so Ohio Marijuana Card can track how many referrals each partner obtains. Signage and cards can be printed from Ohio Marijuana Card’s marketing toolkit and placed anywhere, from your local bar to concert halls, the gym, your yoga class, the office or even church. As soon as your referrals get their Ohio medical marijuana card, you'll get paid for referring them.
